I got these boobs for my eighteenth birthday.
Now you can enjoy them as much as I do.

It's pretty amazing what a new set of boobs can do for your self esteem. Ever since I got them, guys have come out of the woodwork wanting to get at me. But I'm pretty picky as to who can look and even more so at who can touch. Right now, you can only look.

I always jump at the chance to do a couple guys. My sexual appetite can be filled as my holes are with big cocks to play with. It's interesting that my tongue can taste the difference in cocks and how they each feel in my mouth. When I close my eyes, I pretend they are warm lollipops I can suck on all day – and they're always hard.

I'm about to embark on a wild sexual adventure, so pull the lever on your recliner and lean back. It's going to get very hot in here as I fuck two studs.

I couldn't wait for my photo shoot. The thought of getting pretty with a professional makeup artist and a wonderful photographer, what woman wouldn't want to do it. But for me, the best part was to get fucked in the ass by a guy I just met. I've been really horny since last night so I'm excited to fuck!

I'm here to celebrate anything you want. Maybe it's your birthday, your anniversary, your graduation, your bar mitzvah. Everything you want is right here.

pleasure on the highway

True Story:

I was heading back home to celebrate Memorial Day with my family. In the car with me is Bryan, my friend from college. We're driving down I-75 headed to Atlanta from Chattanooga on the Tuesday before the Fourth. The drive is uneventful until we're about 30 miles from Marietta and these three hot chicks are passing us in the fast lane. Bryan notices them and pokes his head out the window and puts on a big smile. He's got a great one, large white perfect teeth stand out against his tan skin. They smile back and a conversation starts between our two cars. After a minute Bryan tells me to pull off at the next exit and we're going to switch cars with them. Switch cars? "Yeah, I'm gonna get into their car and one of them is gonna get into this one." he says. "Dude, we don't know them." I say. "No problem." he says, "We're gonna switch back in Marietta at the Denny's restaurant off I-75."

I'm in the right lane and exit first and sure enough their care exits right after us. I'm driving a silver Camaro and they're in a new Beetle. At the top of the ramp, Bryan gets out and goes over to their ride and talks to them. After a short minute, a really good looking girl comes over to my car and gets in. "Hi I'm Gina." She says. "I'm Steven." I answer back. She's got a short denim skirt on and white tube top that contrasts nicely against her dark hair. But the cool thing is her hair is all shaved along one side above her temple and the rest is long. She's got a big gold earring in one ear.

Over in the other car, Bryan is getting in the back seat with the blonde chick that was already there. Her friend is driving, so Bryan's got it made in the back. Suddenly they take off – and I'm right behind going down the on ramp and back on the road to Atlanta. I catch up with the bug and see Bryan in the back seat kissing on the chick. Gina notices too and turns back to me, sliding a little closer and puts her hand on my thigh.

We make some small conversation about music and the scene in 'Hotlanta.' As she talks, she slides her hand into my lap and unzips me. Coming closer, she tells me to focus on the road because she's caused a couple accidents doing this. Well, that was scary, and exciting at the same time. I slide forward so my pants can loosen up and she plunges her hand in and grabs my cock, yanking it out in one swift motion. She finishes undoing my belt and button and willie is free and at full attention.

She starts stroking me and twirling her fingernails across the tip. The sensation is driving me nuts. As her head goes down, I glance over to the bug and see a topless girl riding Bryan. He notices me and gives me a thumbs up. My eyes go back to the road as Gina's mouth encircles my cock. She's bobbing up and down on my knob slurping it like an ice cream cone. I notice I've pumped the gas up to 85 and lighten up on the accelerator. But Gina's going a hundred miles and hour on my cock. "Slow down." I say. "I can't." she says. "I have to make you cum before we hit Marietta." she mumbles with cock in mouth. "Oh don't worry, you will," I say, and she slows down and really starts to suck me good. The SUV pulls ahead and I move over right behind it. I no longer see Bryan but, in profile, I see the blonde bobbing up and down with her boobs bouncing and hair flying.

Back in my car, Gina is really working it. She's pulled my balls out and is sucking on them, looking up at me as I try to focus on the road. Fortunately, I see the Beetle take the exit to Marietta and I follow her. Breathlessly, I tell Gina were headed off the freeway and she picks up the pace and by the time we reach the exit's stop sign, I've blown my load into her mouth. I make a right as she straightens up and I follow the bug into Denny's parking lot. We all get out and introduce each other. We get burgers together and talk about the last half hour. The girls are really cool and we're to get together in Atlanta. I'll let you know if we do.

–Steven, Lexington

skin on skin

Dear Editor,

I'm a newlywed writing to you to tell you this and ask you something, too. I'm a white woman about twenty. The reason that I say that is that my girlfriend in Florida saw your magazine at her boyfriend's apartment and called to tell me about the white girl/black guy hook ups. She knows me and my past and she called just to razz me a bit. I had done a few sexy shootings and actually did a scene in a sex movie that was never released. While my husband knows, we have kept it quiet throughout our relationship.

I'm only writing to you with the understanding that you won't use my real name and address. So I ask a guy friend to pick up a copy for me saying I was researching a story. I got it from him and looked at the pictures and they were really great – and hot! The white girls were all gorgeous. The fact that some were doing black guys also intrigued me. I love the contrast of the two skins on each other. A white hand around a black cock. And a black cock in a white pussy. (I can't believe I just wrote that!) Now that I've said all this, I got excited thinking about

YES, I'M WET.

I'm also sassy, opinionated,
a bitch, a sweetheart, your lover,
and your worst nightmare.
I'm your ex – asshole.

those sexy days and am thinking about reliving them somehow. I love my husband, but the our life does not leave much room for fun. I love my husband, but I want to taste the forbidden fruit. I love my husband, but I want more fun in my life.

– Lisa (Not my real name)

on the love boat

To the editor:

It's cold and snowy in Cleveland so I took my wife on a cruise in the Bahamas. We departed at Ft. Lauderdale and headed right out to sea. At dinner the first evening, we were at the captain's table when my wife started getting frisky with me. We were making small talk with the others around the table as she ran her hands into my crotch. I almost spilled my drink as she found my cock and squeezed it through my pants, all the while turned towards the captain and talking with him.

Fortunately, the tables have long tablecloths to cover her actions. After a minute she found my zipper and quietly pulled it down, got through my underwear and took my cock out. I was already hard so she had no problem finding it. I tried to focus on the table's conversation, but found myself missing a few words here and there. I would try to hide my pleasurable angst by drinking more than I should, but it felt good and I was not going to stop her. Ten minutes into this little scene, some people finished their meal and left the table taking the captain with them.

That left me and my wife and two other couples on the opposite side of the table. The captain's table is against the back wall of the dining room and we were facing out to the room. I felt the couple and the rest of the room could not see or guess what was going on so I let her continue stroking my cock. Expertly running her fingers up and down the shaft and lingering on the head, she made pergect conversation with the other guests. Now and then she would squeeze me and do a few quick hard strokes and I thought I would lose it.

Soon, she had released my balls from their cotton prison and I was hanging free. She starts with one and rolls it around in her fingers, and then finds the other and treats it to her fondling. She pinches them just right to take it up a notch on the pain-is-pleasure meter. But it was her perfect strokes that got my blood rushing and after a few more minutes I came all over her hand and my pants. I muffle my groan and a moment later she spills her wine 'accidently' in my lap. In the confusion I manage to put myself away and zip up. I stand up and taking her napkin, she wipes my crotch, smearing the red wine all over me. It seemed a simple accident at the time.

We hasten through the dining room and back to our cabin. It took all of two minutes to strip down and feel her mouth on my cock. We didn't leave the cabin until dinner, the next night.

– Mark, Cleveland

Would you believe that at times I have a hard time getting off. Sometimes you can look at me and I get wet and cum. But there is one thing that never fails: A nice big cock. Yes, that's how it is. And believe it or not, it can be quite difficult to find a well-hung guy who can keep it hard as long as we have sex. No room for failure with me.

sasha

I just love being in front of a camera. It turns me on when it turns on. I can't wait for the dirctor to say 'action.' That's when I'm at my very best.

a little story about
Sam & Diane

It's Friday night. Diane just got home from work. The first thing she notices is that Sammy's truck is not in the driveway. She gets to the door, unlocking it, as she pushes it open walking inside. She kicks off her shoes, and drops her keys and purse on the table. She turns towards the stairs climbing them slowly. She reaches the bathroom turning the shower on hot. She slowly strips off all her clothes. She reaches above her head pulling her hair out as her curls fall over her shoulders slowly. She climbs in the shower. The hot water slowly cascading over her young body. She washes all over her body with just her body wash on her hands. She rubs her hands over her boobs, soaping them up slowly. She softly moans as her hands rub soap all over her sexy body.

She giggles a bit as she rinses her body just as slowly. Her hands wiping the soap away with clear water. She slowly washes, then rinses, her hair shutting the shower off. She climbs out putting her robe on throwing her hair up in a towel. She walks down the hall towards her room.

Sometimes the simplest thing is the best thing. Especially sex.

She hears her phone ringing down in the living room. She turns back around running down the stairs hoping that they won't hang up. She reaches her purse grabbing her phone answering it slowly.

"Hello." she answers softly.

"Hey Di, are you home yet?" Sammy asks on the other end.

"Yeah, I'm home. I just got out of the shower. Why Sammy what's up?" she answers kinda confused.

"I just wanted to make sure and let you know I will be home in a few. Can you do me a favor?" he asks softly.

"Okay, what do you need Sammy?" she asks.

"Well I'm feeling kinda lonely. Will you wear something sexy for me tonight? I know it is a lot to ask but if you knew what I'm thinking you would love it." he says soft and slow.

"Um, okay, I think I can manage that." she says all cocky.

"Okay see you soon." he says hanging right up.

Diane runs up the stairs to her room. She shuts the door behind her locking it. She dries the rest of her body off as she rummages through her sexy lingerie. She tries everything on until she decides on a corset set. She puts on a red and black leather corset, a black thong, black thigh high fishnets with a black garter belt and

DO I LOOK THE PART?

some black pumps. She puts her hair in pigtail french braids, and puts on her make-up. She finally emerges from the room all done she heads back downstairs.

Diane is sitting on the couch looking at the door out of the corner of her eye, watching the television with the other. Her body looking so perfect in her naughty little outfit. She sits flipping through the channels for about twenty minutes before she hears Sammy's truck pull in the garage. She walks out to the kitchen leaning over into the fridge shaking her ass. Sammy walks in from the garage right into the kitchen. He stops in his tracks. Diane can feel his eyes moving up and down her body. She stands up slowly turning to face him.

"Do I turn you on baby." Diane says grinning big. "Diane I have wanted you since I started dating your older sister. You are so perfect. I love you so much. But before tonight I have always felt you were too young." he answered confidently. "Well then come and get me, cause I want you too." she says sitting on the counter in front of Sammy.

Diane's eyes met his as he pulled her face to his. Her lips met his in a hot passionate kiss. Diane's eyes shut slowly as they kissed deeper. Sammy's hands run down her sides making her shiver slightly. Diane slowly wraps her arms around his hard body. Her tongue playing with his ever so slightly as their lips dance over each other. She feels her ass being grasped lightly as he lifts her off the counter. She wraps her legs around his waist. She pulls her mouth away from his kissing, slowly trying to catch her breath.

"That felt amazing." Diane says still trying to catch her breath. "Well then I never thought you would say that about me but I'm glad you did." he says as one of his hands slowly slips inside of her thong. "Sammy, oh my god, please lay me down if you want to do that." she moans.

"But Diane, I only want to tease you. Well for a little while at least." he says biting her neck as he runs his fingers over her tight, wet pussy lips. "Okay, Di, do you want to do it right here or in my bed upstairs?" he asks slowly as he pulls his hand away from her pussy licking his fingers. "Upstairs. I wanna go upstairs." she pants at him.

Sammy holds her around his waist as he slowly climbs the stairs. Diane stares into this eyes as he carries her up. Sammy brings her into the bedroom laying her gently on the bed. She looks up into his eyes as she pulls her thong off. Sammy unbuttons his jeans pulling his shirt up over his head. Diane licks her lips as she runs her fingers over her tight wet little pussy. Her eyes flutter as her fingers run slowly over her clit. Sammy's eyes watch her hand intently as he pushes his jeans down his cock pops out through his boxers. Diane raises an eyebrow as she licks her lips.

"Oh my god, your so big Sammy. I want to taste it so bad." Diane moves to her hands and knees crawling to the edge of the bed.

"Diane what are you going to do to me?" he asks grinning. Just taste it a bit." she says pulling his cock deep into her mouth as she sucks on it hard. Sammy's body begins to shake gently. Diane's sucking harder, moving her head in and out. Sammy grabs her head, moving it faster in and out on his

big, throbbing, hard cock. Diane's tongue slides around as she sucks her hand massaging his balls slowly. She wraps her arms around his legs digging her nails in as she stares up into his eyes. Sammy lets go of her head and grabs the bedpost as he moans out loud.

"Oh my god, I'm gunna cum. Keep sucking." he says shaking hard as his cock spasms. Diane keeps sucking on his big cock as he explodes into her mouth. She swallows stream after stream of hot sticky cum. She jerks his cock getting every last drop out. She pulls away, her eyes watering.

Diane looks up into Sammy's eyes. She moves her hands over her body. She slides a finger into her sexy little pussy. She moves it in and out her mouth and face showing how good it feels. She stares at Sammy, waiting for him to come to her. He slowly climbs up the bed kissing up her legs. He gently bites her inner thighs as she jumps up into his mouth. Sammy slowly slides his tongue over Diane's hard clit, draggin' it over and over again. Her legs tremble slowly as her pussy loosens up a bit. Sammy moves his thumb to her clit as he rubs it, darting his tongue in and out of her wet pussy. Diane screams out in pleasure.

Diane's body thrashes beneath his long wet tongue. She starts to hump up into his face. She feels herself about to let go. She clamps her pussy tight around his fingers. She grinds her clit up into his tongue. Diane shakes uncontrollably as she looks down. Diane's body lets go as she shakes so hard. He pulls away a little bit watching her pussy erupt. It shoots cum up into the air. Sammy begins devouring it as Diane keeps cumming, covering his face. Sammy pulls away slowly, his face dripping in her honey. He licks his lips before slowly kissing her. Their bodies entangle like snakes in heat.
Sammy takes his rock hard cock into his hands as he pushes it into her tight wet hole. He works it into her gently. His eyes fixed on hers as she flutters below him. She pushes up a bit as her pussy takes more of his huge cock into her tiny body. He moves at an even pace as Diane wraps her arms around his body as she moves with him.

"Harder, baby, harder." she moans through her heavy breathing. "Mmmmm your so tight I love how your pussy feels around my cock. I can't wait to fill your pussy with my hot thick cum." he groans as he moves faster into her. Sammy keeps fucking Diane as he holds her to the bed. He leans over biting into her collar bone as they fuck. Her hands dig her nails into his back. Her pussy begins to spasm on his cock. She can feel him tensing up.

"I'm gonna cum all over your cock. Fuck me Sammy. Yeah, faster baby, faster." she screams as her pussy slowly explodes all over his hard cock. "That's it baby keep going." He says as his body begins to shake. Diane keeps cumming all over him as she pushes up hard. He starts to breath heavy in her ear as he pushes in so deep. He lets go another thick load, pouring it into her tight mound. She lays there looking at him as he finishes cumming into her body.

Sammy pulls Diane to him as he cuddles her. She kisses him as she get comfortable in his arms. It is the first time she has ever let a man touch her. She closes her eyes as she feels Sammy falling asleep with her, both of them naked in her bed.

aimee

I'm really vocal when it cums to sex. I can't help myself. I'm what you'd call – a squealer.

I was playing video games when finally, I realized I was actually winning. I jumped up and down, shouted and squealed. After I calmed down, I thought to myself, why can't guys make me feel like that? So now I'm on a quest to find the guy that can make me squeal in pleasure.

It doesn’t take much to get me all revved up. I’m one of those girls that likes to move in the very fast lane.

I need my man to be tough and strong, like my bike. Someone who isn’t afraid to boss me around, in a good way. I’ve been a bad girl and so I’m gonna need a good man. If you’re a good man, riding in the fast lane, and not afraid of some hot action I’ll let you fuck my pussy.
